

AURORA

Aurora in the European Research Area

Workshop:

**Challenges and Barriers to research support
collaboration in the first year of AURORA RI**

[Register to join](#)

Tuesday 8 November
13:00 ~ 15:30 CET

Now a year in, the AURORA RI project is examining opportunities for collaboration on research support between the partners. Links have been made in the fields of human resources, entrepreneurial engagement, and open science. Mapping exercises on resource sharing, citizen engagement, and research support are complete. All this aims at delivering excellent research and improving Aurora research and innovation support ecosystem. During this period, we have encountered a range of barriers to collaboration. **Join us for this workshop to discuss the challenges we have faced and how we overcame them along with ideas for future improvement.**
